CAMBRIDGE UNIVERSITY MODERN PENTATHLON CLUB (CUMPC)

Modern pentathlon is an Olympic and **Full Blue sport** comprising running, swimming, shooting, fencing and show jumping. We have a **wide range of abilities** – anyone is welcome to join us whether they have never done any of the sports before or are a seasoned pentathlete. We hold 10-12 sessions a week of which you can attend as many or as few as you would like, so get involved!

More details for training sessions are on the weekly email.

All sessions until the end of October are **FREE** before we ask you to pay subs for the term (£50 pays for all non-riding training. Riding is subsidised separately).

If you have any Qs feel free to contact our captains, Amy (avr37@cam.ac.uk) or Loïc (ll582@medschl.cam.ac.uk).

In addition to our termly training, we run a UK based camp **every holiday**.

As well as a summer camp every year which, for the past few years, has been held at the **British Army base in Cyprus!**
